

Amistad Commission's William Payne Exemplary Administrator/Supervisor Award Program 2025/2026 School Year

The Amistad Commission's William Payne Exemplary Administrator/ Supervisor Award Program was codified by the New Jersey Legislature and signed into law by Governor Phil Murphy on August 31, 2021. The Award is designed to promote teaching the Amistad curriculum in New Jersey schools, enhance the social studies literacy of students, and encourage the infusion of African American history into the social studies curriculum.

The intent of the Award is to recognize and acknowledge the leadership of a New Jersey Exemplary School Administrator/Supervisor, who has shown commitment to supporting staff members with professional and technical assistance on the implementation of the Amistad Law. Specifically, on the supervision of educators providing instruction for students on the African slave trade, slavery in America, the vestiges of slavery in this country, and the contributions of African Americans to our society as codified in Public Law 2004, Chapter 75).

The Commission invites all New Jersey schools (districts, charters, and renaissances) to submit nominees of supervisors/administrators who have been instrumental in the implementation of the Amistad Legislature.
